GOAL Fund Products and Vendor Information

LPA is able to help fund for the following item types. LPA has positive experiences working with various vendors for some of these products. Although LPA does not require that you work with our specified vendors, if you are not already working with a company, LPA can provide information regarding our list of vendors. LPA does not endorse products, but we provide options that are often used by our members. LPA recommends members consult with their medical provider before using any products listed, as individual needs are different. Also, the applicant is responsible for any additional maintenance and/or warranty costs. LPA is not liable for the warranty or maintenance of any products listed. For more information on these products, please see below.

- Scooter/Mobility Device
 - Some of our members have found success with the **Go-Go Elite Scooter**.
 - [Assisting Little People](#) – provide customization of the [Go-Go Elite Scooter](#). Visit their website for more information.
 - LPA has also had good experience purchasing online from [Spinlife](#) (www.spinlife.com), which has a number of scooter options, including the [Go-Go Elite Traveller Scooter](#). Please note that LPA cannot guarantee approval for all scooters found on their website.
- Automobile Pedal Extensions
 - Many LPA members have purchased from [Best Lil Extensions](#) (www.bestlilextensions.com).
- Ergo Chair for Little People
 - this chair is offered through [Assisting Little People](#) (www.assistinglittlepeople.com).
- Tripp Trapp Chair
 - Many of our members find this chair to be beneficial. The chair can be located on Amazon or on the [Stokke](#) website.
- Bidet
 - Some members have found the [TUSHY Ace Electric Bidet Seat](#) works well for LPs
- Freedom Wand
 - Many of our members find the [Freedom Wand](#) a useful personal hygiene product.
